S4E CASE CHALLENGE

What: "S4E Case Challenge" organized by the student talent network "students4excellence" (www.students4excellence.com) in cooperation with World University Service (WUS) Austria

Where: Vienna, Austria

When: November 2-4, 2011

The S4E Case Challenge is a cross-border cooperation that brings together students from 5 countries of the CEE region: **Austria, Czech Republic, Hungary, Romania and Slovakia**. Students will have the chance to work on real life cases from the partner companies Erste Group, OMV, Vienna Insurance Group and Wolf Theiss and present their solutions to the cases on their own in the first round. The best participants of the first round qualify for the final, where they will work on a different case in international and interdisciplinary teams. Great prizes as well as internships and places in assessment centers for trainee programs are waiting for the winners.

This case challenge provides you with an international network, cross-cultural experience, passionate work on exciting cases and of course great fun.

Application Criteria:

If you are interested in the participation at the S4E Case Challenge, please make sure that you fulfill the following application criteria:

- Student up to the age of 27 years and enrolled at a university in one of the 5 participating countries **Austria, Czech Republic, Hungary, Romania and Slovakia**
- You have to apply for a **students4excellence membership** at www.students4excellence.com (please consider the admission criteria at <https://www.students4excellence.com/index.php?id=49&L=1#c1059> when applying for the membership)
- Only once you are member of the network, you can register for the S4E Case Challenge

In the attachment please find the S4E Case Challenge folder where you can also find all necessary information for the application and background information regarding the student talent network.
